

Philamena's School of Dance Summer Camp

Location to be assigned

Ah, summer is almost here! Where did the snow go?

Bring a little Philamena into your child's summer! Why not try out a week or two or this fine summer camp? It will be running for five weeks in July.

Hi. I'm Phyllis Ventresca. My family and friends as well as my students are used to my boundless energy. Eight years ago, I started a small but very successful dance school called Philamena School of Dance. We've been a part of childrens' lives in Barrie for eight years!

So a year ago, I thought about my summer and how I could keep teaching dance throughout. I thought up this brilliant idea that we would do a summer camp too. So I flipped through some of the information on summer camps and found out that I indeed probably wasn't qualified to teach a horse back riding camp. (This was really sad for me as I'd always wanted a pony.) I also wasn't very good at skateboarding or in fact mountain biking or even karate. I also naturally dismissed anything that sounded like too much work like lawn bowling summer camps and also soccer camps.

But then something occurred to me. I'm a dance teacher through and through. Surely, some kids would come for a week of dance.

Well, you know what? It really did work. We had tonnes of kids who signed up right away and it was a resounding success.

So now, I've decided to give it another try but we're going to change it a little. We're going to make it more diverse.

The main idea is to offer singing lessons, dancing lessons, arts and crafts as well as

cooking lessons. We will be rotating the groups through these subjects all day so that they get at least an hour of each a day.

But then, we are also going to offer lunch and two snacks in with the fee we are charging.

And did I mention this? You'd better send a change of clothes with your children because if it's hot we are pulling out the banana slide and the turning the sprinkler on.

We're pleased to say we have two Ontario Certified Teachers on staff so don't worry folks, we have it all covered if you'd like to send your child to dance/singing/cooking/arts and crafts summer camp any week in July.

The fee is 175 plus GST for the first week and 150 for the second week. If you have two kids, you can take up this sale for both for one week.

Fill in the checklist below:

_____ Yes, book my child (Name) _____ for an amazing Philamena School of Dance Summer Camp.

_____ Yes, I know my child will get singing lessons, dance lessons, time to do arts and crafts and learn to cook and bake on a daily basis.

_____ Yes, I know that lunch and two snacks will be provided.

_____ Yes, I know that I can just love em' and leave em' daily in safe hands.

_____ Yes, I know I can have a sale on the second week of dance camp or combine that for two children.

_____ Yes, I know my child will need a change of clothes or a swimming suit daily.
